Description of Site: Ascension Recovery Services provides concierge recovery services focused on the whole family and not solely the individual with the substance use disorder. We take an individualized approach toward each family or individual that we work with by utilizing a team strategy. We are looking for an intern that has an interest in addiction and recovery focused treatment. There will be opportunities to do individual therapy, family sessions, participate in treatment team meetings and planning, as well as, help with research and outreach. Knowledge about 12-step recovery is highly recommended for this position. First-hand experience with addiction/recovery/ACoA/Codependency will be welcomed and supported.

Clinical Activities:
Independently: Individual counseling sessions, Psychoeducation, Group Counseling, Crisis Counseling, Couples Counseling

Co-facilitated: Individual counseling sessions, Psychoeducation, Group Counseling, Family Counseling

Observes: Individual counseling sessions, Psychoeducation, Group Counseling, Crisis Counseling, Treatment Team Meetings, Home-Based/Visit

Not Available: Inpatient Treatment, Intensive Outpatient Treatment, Student Assistance Team or Multidisciplinary Team, Parent Teacher Conference, Classroom Guidance

SPHS C.A.R.E. Center
351 West Beau Street; Suite 203
Washington, PA 15301
Matthew Tutay 724.229.2430 mtutay@sphs.org

Description of site: SPHS The Care Center is a Drug & Alcohol and Behavioral Health Rehabilitation facility. The CARE Center is part of the widespread non-profit agency Southwestern Pennsylvania Human Services (SPHS) which stretches across 4 counties at this time, and intentions are to continue expanding. Moreover, The Care Center is a trauma informed agency. This means our staff are trained and adept in treating consumers who have encountered trauma(s) in their lives. In fact, The STTARS (Sexual Trauma Treatment and Recovery Services) Program is a grant funded program that provides specialized services for victims and families of sexual abuse. Our agency also contains an Assertive Community Treatment team (ACT) to address the needs of the severely mentally ill population, and our very own Crisis Stabilization Unit nearby.

Clinical Activities:

Description of site: The WV Family Grief Center offers peer support for families with children between the age of 3 and 18 who have experienced the death of a loved one. The peer support groups meet one evening per week by the Mon. Co. school system calander. Dinner is offered to the families and staff before the peer support groups meet. Nights of Service are on Thursday evenings from 6pm (dinner) until 7:30. Volunteer co-facilitators of groups meet at 5:30 for a pre-group meeting and stay for a 7:30 post group meeting. Age groups are Littles (3-7), Middles (8-10), Teens (11-18) and Adult Caregiver group. Twice a month a general Adult Bereavement Support Group is offered. The WV Family Grief Center is hosted by the Morgantown Church of Christ on Scott Ave. in Morgantown.

Description of site:
K-4 public school serving 400 enrolled students. It recently lost 5th & 6th grade due to consolidation. The school is in town in a low income area. The building is old and the school has been running for 100 years. All students receive free lunch and we have Title I services. We also have a strong boys and girls club program. There is high need for a variety of services.

Clinical Activities:
Independently: Individual counseling sessions, and group counseling, crisis counseling, classroom guidance.

Co-facilitated: Individual counseling sessions, group counseling, student assistance team or multidisciplinary team, parent/teacher conference, classroom guidance.

Observes: Individual counseling sessions, Psychoeducation, group counseling, student assistance team or multidisciplinary team, parent/teacher conference, classroom guidance.

Population served: children, minority, low SES, MR/DD, black or African American, Hispanic or Latino, multiracial, white.

Professional Development Opportunities:
Frequently: Not at this time
Sometimes: Staff meetings, in-house training sessions, on-line training, support to attend local, instate or regional workshops.

Supervision Theoretical Orientation:
Primary: solution focused, eclectic.
Secondary: Cognitive-Behavioral
